Dear Chairman Johnson:

I was astonished to learn that the OC Fair Board and every other fair board in our state have been abusing their promotions funds since 1967. It gets me sick to think about the tens of millions of dollars annually that have been wasted by these supposed volunteers especially in light of our state's financial woes.

It is my understanding that your offices not only have the ability, but intent, to forever correct this matter. You have my 100% support! And thank you in advance for playing watchdog for us. Can we ditto you?

Sincerely,

Robert Sung
